

Berkley Sick Braid Flame Green 150m

Just nu: **239:-**

Exkl. moms.

Berkley SICK 8 strand PE braid, super smooth high-performance line with low stretch and high knot strength. Because of the Nano coating with microcrystalline polymer, it is very abrasion resistant. SICK lines are designed to fishing for Pike, Zander, Perch and Trout.

- Zero stretch: for exceptional sensitivity helps you catching fish in the most challenging conditions
- Superior Knot Strength: Berkley SICK 8 strand PE lines ensure rock solid and secure knots
- High Performance and long-distance casting: Sick lines with high-tech Nano
- Microcrystalline that offers great high abrasion resistance and extreme smoothness for further casting
- Multipurpose: Berkley SICK PE braid is designed for catching all predator fish swimming in our European waters like; Pike, Zander, Perch or Trout
